

THORNAPPLE VALLEY CHURCH

TECH TEAM

HELP CONNECT PEOPLE WITH GOD THROUGH THE
USE OF TECHNICAL AND CREATIVE ARTS

Audio Team

FOH (Front of House): The FOH runs the mixing board located in the Auditorium and controls the audio mix that the audience hears.

Lighting Team

Lighting Director: The lighting director will sit out in the main tech booth in the Auditorium and follow along with the service order and run the lighting cues at the correct time.

Direction

Technical Director: Oversees the set-up and operation of the tech equipment on Sunday. You will also troubleshoot any equipment problems that might occur.

Producer: Helps lead the tech team on Sunday. You will cue different tech areas during the Sunday service as needed. You will make sure the service timing is on schedule and help adjust as needed.

Stagehands: Moves speaker props, visual aids, mics, staging, etc. on and off stage when needed. Helps keep backstage orderly and safe.
